

2021 YEAR END HIGHLIGHTS

The Foundation for Sarcoidosis Research (FSR) invites you to join us in celebrating the successes in 2021. These successes are only possible thanks to the generosity of sponsors and donors, like you!

CLINICAL TRIAL SUCCESS

The Foundation for Sarcoidosis Research is proud to have provided support for the first successful clinical trial in pulmonary sarcoidosis.

RESEARCH FUNDING

FSR provided \$200,000 to support sarcoidosis-related research, including one focused on COVID-19 and sarcoidosis. There were 25 papers or abstracts published in 2021 as a result of FSR funding.

PATIENT EDUCATION AND SUPPORT

FSR and FSR advocates spoke at 9 international conferences, hosted over 16 podcasts, facilitated over 40 educational and wellness events, hosted a successful international patient summit with over 300 participants, and provided 1:1 support to over 80 patients.

CLINICAL ENGAGEMENT

FSR hosted the first of its kind Clinical Engagement Summit with over 70 participants representing over 40 institutions and provided recruitment support for 3 academic clinical trials.

DONATE TODAY

Thank you to all our foundation and corporate partners, as well as all of our amazing donors for your generous support. If you have not had the chance to donate this year, there is still time to help us build on this incredible momentum as we fight for a cure for sarcoidosis.
