How to Tag FSR in Your Social Posts

Facebook

- Write your post and upload any content you would like to include (photo, video, etc.)
- When your post is complete and you're ready to tag FSR, type the @ symbol followed by stopsarcoidosis (you can also type Foundation for Sarcoidosis Research).

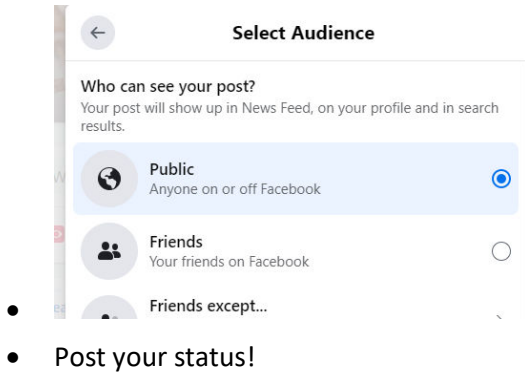

- Make sure to select Foundation for Sarcoidosis Research so the @symbol disappears and a blue highlight appears.

- **Important note:** your audience for this post must be public or FSR will not be able to see it.
